# Costa Rica real-estate market report — October 2026

Snapshot of October 7, 2026 · https://crm-pilot.onrender.com/en/costa-rica/prices/report/2026-10/

## Highlights

- 0 properties for sale and 0 for rent.
- Month-on-month comparisons start with next month’s report.

## How it’s calculated

Asking prices (not closing prices) of the properties for sale listed on the snapshot date, sold ones excluded. Each figure needs at least 3 properties of the same type. Price per m² uses the built or private area (houses, apartments, duplexes, commercial, warehouses) or the lot size (land).

You're welcome to cite these figures, crediting ProptyCenter with a link to this page.
